We offer a wide range of sizes, capacities, and specifications, ensuring that we meet the needs of our clients' electrical requirements and are committed to meeting the highest standards of quality and compliance and ensuring that all our products meet the necessary certifications and regulatory requirements.

Your Reliable Source for Mechanical Components & Piping Materials

At DAAD for Commercial Services, we specialize in providing high-quality mechanical components and piping materials for a wide range of industries, including oil & gas, petrochemical, construction, and manufacturing. Our products are designed for durability, efficiency, and compliance with international standards.

Pipes & Tubing

Carbon steel, stainless steel, and alloy pipes for various applications.

Fittings & Flanges

Precision-engineered components for secure and leak-proof connections.

Valves & Actuators

Industrial-grade valves for flow control and regulation.

Gaskets & Seals

High-performance sealing solutions for extreme conditions.

Bolts, Nuts & Fasteners

Heavy-duty hardware for industrial and structural applications.

Bearings & Couplings

Essential components for mechanical stability and efficiency.

Precision Solutions for Instrumentation & Control

At DAAD for Commercial Services, we provide high-quality instrumentation and control solutions designed for accuracy, reliability, and efficiency across industries such as oil & gas, petrochemical, power generation, and industrial automation. Our products ensure seamless monitoring, measurement, and control of critical processes.

▶ Pressure & Temperature Instruments

Gauges, transmitters, and sensors for precise monitoring.

▶ Control Valves & Actuators

Optimized flow regulation for industrial applications.

▶ Process Analyzers

Advanced equipment for quality and efficiency monitoring.

▶ Flow Meters & Level Sensors

Accurate measurement for fluid and gas control.

▶ Switches & Relays

Reliable electrical and process control components.

▶ Cables, Connectors & Accessories

Essential components for seamless system integration.

Your Reliable Partner for Camp Materials & Furniture Supplies

At DAAD for Commercial Services, we provide high-quality camp materials and furniture supplies designed for comfort, durability, and functionality. Whether for remote work sites, labor camps, military bases, or temporary accommodations, we ensure practical and cost-effective solutions for all your needs.
